What is MDCS? User login

The screenshot shows the homepage of the MDCS website. At the top, there is a header with the text 'MDCS / Monument Diagnosis and Conservation System' and 'The online damage-expert for monumental buildings'. Below the header is a navigation menu with links for 'Home', 'Damage Atlas', 'Frequently asked questions', and 'Contact'. On the right side of the navigation menu, there are links for 'EN | NL' and 'Login'. The main content area features a large image of a brick wall with a circular icon containing a cracked brick pattern. To the right of the icon is a search button with an orange arrow and the text 'Search directly the extensive damage atlas'. Below the main image, there are four small thumbnail images showing different types of damage: a brick wall, a wall with green mold, a roof with tiles, and a brick wall with a crack. At the bottom left, there is a link 'What is MDCS?' and at the bottom right, there is a 'User login' button.
